Application to join waiting list at Worthing Allotments

Please fill your details and return to the address above. Your name will be added to the waiting list and you will be advised of your position. You will be contacted again when you reach the top and asked if you still require an allotment. If you do, then an appointment will be made with the Site Manager/Overseer to view the plot. **NB: You can choose one or two sites and it may be useful to be entered on one large and one small site, as the wait for a plot is much longer on the smaller sites.**

Large Sites: Chesswood Farm, West Tarring.

Small Sites: Dominion Road, George V Avenue, Haynes Road, Hillbarn Lane, St Andrews Road.
