Telephone

Email

Proposed dimensions <i>Note that for miniplots shelters or sheds should not exceed 4x3ft, should not cast a shadow on the neighbouring plots and should be set in away from the pathways.</i>	Shed	Greenhouse / polytunnel <i>delete as appropriate</i>
Length	<i>max 8 ft – circa 2.4m</i>	<i>max 20 ft – circa 6.1m</i>
Width	<i>max 6 ft – circa 1.8m</i>	<i>max 10 ft circa 3.0 m</i>
Height	<i>max 8ft</i>	<i>max 10 ft – circa 1.75 m</i>

Type of base

Concrete strips

Paved

Hard core and paved

Raised on blocks (protected by wire mesh)

Other (please specify)

I confirm that the structure will not (a) straddle any path on site (b) cast any shade on another plot or obstruct access to it (c) use materials considered by WAM to be dangerous (e.g. asbestos). I understand that if the structure breaks these regulations and agreement or if it becomes dilapidated to the point where it is dangerous, then I will take it down and remove the materials as instructed or be invoiced by WAM if they do it on my behalf.
